### Photographs

All parents of children at nursery will now have received their pack of photographs. The response has been overwhelmingly positive and the pictures of the children are wonderful. Jordan has captured the spirit of each of the children perfectly, and there is a wide range of prints options etc to choose from.

To clarify:

The copyright of the pictures is the property of the photographer. Parents can order prints, and the range of other items e.g. snow globes, cushions etc only from Jordan Emily Lammas.

It is not possible to purchase the copyright from the photographer.

However, if you would like to purchase items not on the list e.g. large canvases this can be done.

## *'Friday Flyer'*

Please speak to Lynne for any individual requests, and she will deal with pricing etc on an individual basis.

Orders must be in by **Friday 6<sup>th</sup> July 2012**

### **Administration of non-prescription medication.**

We have changed our procedure concerning the administration of non-prescription medication at nursery in accordance with the guidelines issued by Ofsted.

We are able to continue to administer pain relief e.g. calpol, baby Nurofen and allergy relief e.g. piriton in the usual way – by obtaining prior consent from parents. However, over the counter medicines including vitamin drops, cough medicine etc are not now able to be administered at nursery.

We are also able to continue to administer medication prescribed by your GP including antibiotics at nursery following our medication procedure.

If you have any queries please do not hesitate to speak to either Sarah or Anneli.

### **Extra days at nursery**

If your child comes to nursery for an 'ad hoc' extra day please would you pay for the extra day by cash or cheque on the day itself?

You are very welcome to put a cheque in your child's book bag or give cash to a member of staff who will give you a receipt.

Thank you

### **Naming your child's clothes**

Please make sure that your child's outer clothes and shoes (coat, hat etc) are named. There are several children with very similar shoes and similar coats and these are getting muddled up when they are not named. It can be very dangerous if children are wearing shoes that are the incorrect size.

You can mark them with an indelible pen if you do not have the iron-on stickers.

There is a spare one in nursery if you need to use it.

**As the weather improves please can we remind you that we do not allow 'croc' shoes or 'flip flops' in nursery. They are unsafe for playing in the garden where the children are running, climbing and jumping throughout the day.**

**Please make sure that your child has shoes with an ankle strap.**

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
