Sandwiches and salad vegetables	A selection of filled sandwiches with crudités of cucumber, cheese and tomatoes

### Arrangements over the period of the Olympic and Paralympic games.

#### The games are almost upon us!

The Olympic Games start this Friday, 27<sup>th</sup> July.

Our plans for the smooth running of the nursery will start on this Friday. The nursery 'late penalty' that will be in place over the period of the games will also start at the point. Thank you for your support during this very busy time.

### New Artwork

We hope that you will enjoy looking at the children's new artwork that Hanna has displayed. The children have really enjoyed creating the sand sculptures, and weaving frames that are now in the hallway.

All the artwork no longer displayed will be coming home to you in your children's book bags!

### **'Splash day' at nursery!**

Although the weather is very unpredictable at present we are planning to have a nursery splash day on Wednesday 1<sup>st</sup> August.

All children who come to nursery on this day will need to bring their swimming costumes, swim nappy (if necessary) and a towel to nursery in a named bag. We will be getting out the paddling pools and bubbles for a fun filled day in the sun! (hopefully!).

We will keep an eye on the weather and make a decision nearer the time if it looks as though the splash day may not go ahead.

### **Rose is retiring**

Rose will be retiring from her position as nursery cook at the end of July. She has been at the nursery for over six years and has been a wonderful member of staff. She has prepared wonderful meals for the children and is loved by all children and staff. She will be greatly missed by everyone at nursery.

We have employed a new cook, Pat who will be starting at the beginning of August. She has a great deal of experience of cooking in nurseries, and is well qualified. We welcome her to the nursery.

### **Lost property box**

Over the next few weeks please look through the lost property box if you have lost any item of your children's clothing.

We will be clearing it out when we break on the 17<sup>th</sup> August, and anything left in the box will be donated to charity.

### **Administration of non-prescription medication.**

We have changed our procedure concerning the administration of non-prescription medication at nursery in accordance with the guidelines issued by Ofsted.

We are able to continue to administer pain relief e.g. calpol, baby Nurofen and allergy relief e.g. piriton in the usual way – by obtaining prior consent from parents. However, over the counter medicines including vitamin drops, cough medicine etc are not now able to be administered at nursery.

We are also able to continue to administer medication prescribed by your GP including antibiotics at nursery following our medication procedure.

If you have any queries please do not hesitate to speak to either Sarah or Anneli.

### **Extra days at nursery**

If your child comes to nursery for an 'ad hoc' extra day please would you pay for the extra day by cash or cheque on the day itself?

You are very welcome to put a cheque in your child's book bag or give cash to a member of staff who will give you a receipt.

Thank you

### **Naming your child's clothes**

Please make sure that your child's outer clothes and shoes (coat, hat etc) are named. There are several children with very similar shoes and similar coats and these are getting muddled up when they are not named. It can be very dangerous if children are wearing shoes that are the incorrect size.

You can mark them with an indelible pen if you do not have the iron-on stickers. There is a spare one in nursery if you need to use it.

**As the weather improves please can we remind you that we do not allow 'croc' shoes or 'flip flops' in nursery. They are unsafe for playing in the garden where the children are running, climbing and jumping throughout the day. Please make sure that your child has shoes with a secure ankle strap.**

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
