Treetops Room and Sunshine Room outing to the Greenwich ecology park

The children had a fabulous time at Greenwich Ecology Park. A guide showed the children how they catch the bugs and looked at the bugs they caught in closer detail. All of the children were very well behaved and listened very carefully to their guide. He was very surprised at how much the children already know! There are lots of events going on at the park which we all recommend.

Teddy Bears Picnic

Our babies in the Rainbow Room had a wonderful time at their teddy bears picnic sharing their food and playing games. They had sole use of the garden to explore and stimulate their senses with all of the fruit they could find and various smells.

New Website Photos

The photographs of the children have been updated on the website so please do have a look. We have also changed the way to view the pictures as now you can click on each photo to get a larger image. The photographs are updated every two months.

Achievement Cup

The achievement cup has been awarded to Matthew Philips for the progress and development he has made with his physical skills, speech and confidence around the nursery. He is a wonderful boy and the award was well deserved.

Yoga

The children are still enjoying their yoga sessions every week with Bryony the yoga teacher. She is very skilled at captivating the children's attention with stories about the jungle or trips to the zoo. The children pretend to be the animals or trees as they stretch and hold each pose. These sessions are held every Tuesday morning. You will see some photographs of these sessions on the website.

Art

We are all looking forward to Dilys our art specialist returning in September for two days per week. The children's artistic skills will be developed enormously with her guidance and expertise.

Nursery Fete

On Thursday 13th August we shall be holding a fete at the nursery. There will be lots of stalls and activities for the children and their parents to enjoy. There will also be a 'nearly new sale' which is very kindly being hosted by Lyza's mummy Beccy. If you have any 'nearly new' children's clothes you would like to donate please do let Sarah or Beccy know.

Early Finish

Our last day will be Friday 14th August. On this day **we shall be closing at 1.00 o'clock**. This is important for the nursery as it enables all of the staff to clean and tidy their rooms and resources thoroughly, and allows time for a whole staff meeting/training session.

We shall give the children their lunch as usual but they must be collected early on this day.
