### Nursery Closure 2013.

The nursery will be closed for the Easter and Summer breaks from Friday 29<sup>th</sup> March (Good Friday) and will open again on Tuesday 9<sup>th</sup> April. Saturday 17<sup>th</sup> August and will open again on Monday 2<sup>nd</sup> September.

During these breaks the nursery will be redecorated and maintenance work will be carried out. In addition to this the staff will undertake paediatric first aid training as a whole staff. This means that everyone working at the nursery is trained to deal with first aid – not just a few designated people.

### Snow Procedure

If it snows during the day at the nursery we will monitor the situation very carefully. We will make a decision to close early (at 4pm) by 1pm and will email all parents and also telephone them to let them know of the situation.

## *'Friday Flyer'*

The majority of the nursery staff do not live locally and we need to make sure that they are able to journey home safely.

We have only had to close early on a couple of occasions since the nursery opened and only do so as a last resort to protect the safety of the staff and children travelling home.

We will be taking the children outside in the garden during the snowy weather so please would you make sure that they have a pair of wellies in nursery if possible? If you have any queries please do not hesitate to speak to Sarah.

### **Burns night**

We are planning to celebrate 'Burns Night' at the nursery!

We are planning our activities to commence the week beginning Monday 28<sup>th</sup> January so that the children at nursery who will be celebrating at home can share their experiences with their friends.

The children will be learning poetry to share with their friends, making Scottish flags and learning some highland dancing! We are hoping that the children will also be able to sample some food associated with Burns Night.

If you have any resources or ideas that you would like to share with the nursery linked to Burns Night please speak to Sarah.

### **Winter themed art!**

All the children in the nursery have enjoyed lots of winter themed art work this week. The babies have been using lots of different textures in their communal art piece which is now displayed on their wall.

The children from Treetops have enjoyed creating their own tie-dye fabrics based on signs of spring, and also loved making paper-mache animals for their animal alphabet boards.

The children in the Sunshine Room (pre-school) have also loved making winter kites using cold colours.

### **January Fees**

Hopefully you will all have received a letter regarding the new fee structure effective from January 2013. Please could you make sure that you change your standing order? This is much appreciated.

We hope you all have a lovely weekend. Enjoy the snow!

Kind regards

Sarah, Anneli and all the staff
