'Friday Flyer'

Welcome to nursery!

We are very pleased to welcome Honor and Bertie to the nursery. Both children have settled in to nursery very well and are very happy!
It is lovely to have both children here and we hope that their families feel part of the nursery community soon.

Babies at the park!

The babies have enjoyed a lovely walk to the park this week to feed the ducks. All the babies loved watching the ducks and swans on the pond!

Boxes for pre-school

Please would you save any boxes that you have at home (old cereal boxes etc) and let pre-school use them for the new underwater world that they are making.
Thank you very much!

This is the last week for saving the Ladybird book tokens published in the Daily Mirror.

If you have any that you are able to let us have please would you put them in the box in the nursery hallway.

Thank you

Sainsburys Active Kids vouchers

The nursery is collecting the vouchers from Sainsburys again this year.
We are able to exchange the vouchers for a variety of lovely outside resources. Please would you place any vouchers collected into the box in the nursery hallway.
When the promotion ends we will give you our total and let you know what we are 'spending' the vouchers on for the children.
Thank you very much.

Spare clothes belonging to nursery

If your child has borrowed spare clothes from the nursery and worn them home please would you return them to the nursery?

We usually have a stock of spare tracksuit bottoms, socks and underwear but we are running very low at the moment on these items.

If you have any tracksuit bottoms that your child no longer needs we would be very grateful for them to add to our boxes of spares!

Nursery Closure 2013

The date for the retrun of nursery following the Easter break was incorrect on the previous Friday Flyer.

The nursery returns on Monday 8th April following the Easter break.
We are sorry for any confusion that this caused.

During these breaks the nursery will be redecorated and maintenance work will be carried out. In addition to this the staff will undertake paediatric first aid training as a whole staff. This means that everyone working at the nursery is trained to deal with first aid – not just a few designated people.

Toys from home in the nursery

Some children are bringing lots of small toys into the nursery from home to share with their friends. Over the last couple of weeks a number of these toys have become mislaid and this has caused upset to the children involved.

All children at the nursery are welcome to bring 'comfort toys' into nursery.

However, please could we ask parents to encourage their children to leave other toys at home and enjoy the toys that we have at nursery whilst they are with us?

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
