## *'Friday Flyer'*

### **Rainbow Room**

The babies have explored a range of textures in their collage work which they have made for our spring display and St George's day display. They have also enjoyed the better weather and being able to explore the gardens. We have some lovely photos up in the room and you are very welcome to come and have a look at what we have been doing.

### **Treetops Room**

Treetops children have been making a den with a jungle theme as they are following an interest in a favourite book called *Walking Through the Jungle*, they have also painted pictures of jungle animals. There are some lovely displays of the children's creative work which they have made with our specialist art teacher and with the room staff, please come and have a look at what your child has made.

### **Sunshine Room**

Sunshine Room children have been learning about how plants grow and what they need to grow by planting herbs, sunflower seeds and making grass seed heads. The children are enjoying taking turns to bring their chosen book into nursery for the week and Sunshine Room staff will let you know when it is going to be your child's turn. To encourage good behaviour and kind deeds the children have been rewarded with a medal to take home when staff have observed these actions. Sunshine Room have had a visit from a fireman to talk about fire safety and the role of fire-fighters.

### **Spare clothes belonging to nursery**

If your child has borrowed spare clothes from the nursery and worn them home please would you return them to the nursery?

We usually have a stock of spare tracksuit bottoms, socks and underwear but we are running very low at the moment on these items.

If you have any tracksuit bottoms that your child no longer needs we would be very grateful for them to add to our boxes of spares!

### **Toys from home in the nursery**

Some children are bringing lots of small toys into the nursery from home to share with their friends. Over the last couple of weeks a number of these toys have become mislaid and this has caused upset to the children involved.

All children at the nursery are welcome to bring 'comfort toys' into nursery.

However, please could we ask parents to encourage their children to leave other toys at home and enjoy the toys that we have at nursery whilst they are with us?

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
