### **Parent Questionnaire**

All the parents questionnaires have now been distributed.

Thank you very much to the parents who have already returned their questionnaires – this is much appreciated!

Please would you return your form if you have not already done so – thank you very much!

We will publish your feedback to all the parents when we have received and collated the forms.

### **Welcome to the nursery!**

We are very pleased to welcome three new children and their families to the nursery this week.

We welcome Louis, Abhay and Charlotte to nursery.

We hope that they settle into nursery quickly, and their families feel part of the nursery community soon.

### **Named Clothing**

Please make sure that your child's coat, shoes or any special items of clothing are named. Lots of our children have the same coats and shoes which can cause some confusion when the children are collected by people other than parents. Thank you.

### **Come to the Nursery!**

We are very lucky at our nursery to have such a wonderful and talented group of parents! We would love for you to come to the nursery to talk to the children about your work, hobbies and skills or just to come and read a story. It is important for the children to learn about new traditions, languages and lives of others and, to get firsthand experience would be wonderful for them. We have previously had parents playing their musical instruments, teaching the children a new language, bringing their new babies and talking about their jobs. The children have loved the visitors coming and, the staff continue to reinforce what they have learned once the visitors leave.

If you have a special interest, religion, language or of course a new family member please do contact Anneli or Sarah at the nursery. We would love to hear from you and will support you during your visit with the children.

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
