Summer Fete

We would love to take any toys, clothes or baby goods that are a good quality and that you no longer need off your hands! Please leave any items in the office. Thank you.

Quiz Night

Which organ in the human body can be affected by Bright's Disease? Just one of the tricky questions posed to our clever parents last night. Quiz night was great fun and a huge success! Thank you so much to all who bought a ticket. Lots of parents came and demonstrated their competitive spirit as well as a good grasp of general knowledge. We managed to raise an amazing £322!! Thanks to you all.

Parents Evening

Time sheets are posted outside your children's rooms. Please do sign up for a convenient time to meet with your room leader. Don't forget there will be wine and Pimms in the garden and an exciting auction at 8pm. There are more lovely prizes to bid for throughout the afternoon.

Staff News

I am very pleased to inform you all that Kelly is expecting her first baby which is due in October. She will therefore be on maternity leave from the end of August. Tom will become room leader of the Treetops room until January when Kelly will return as room leader.

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
