Welcome back everyone!

It has been lovely to welcome all the children back to nursery this week!

Welcome to the new babies and children who have been settling in this week – we are very pleased to welcome you to the nursery.

News of the Summer Fete!

It was great to see so many parents and children (both past and present) at the Nursery Summer Fete in August!

The Nursery on the Green

'Friday Flyer'

Thank you to all parents who were so generous in making lovely cakes, biscuits, toffee etc for the cake stall and giving such a lot of fantastic 'nearly new' clothes.

Your support was very much appreciated and we raised a fantastic £550 towards the new sandpit!! – fantastic!

We have spoken to the builder and the sandpit will be built during the Autumn and will be a fantastic year round resource for all the children to enjoy.

We would like to thank Beccy and Dan (Lyza and Sam's mummy and daddy) for all their help in organising the fete.

We would also like to thank all the parents who were kind enough to run the stalls, especially Catherine (Joseph's mummy), Debbie (Dylan's mummy), Sarah (Niamh and Freya's mummy) Adam (Nelson's daddy) and Kate (Williams mummy) who spent time also helping to set things up!

We are looking forward to next years fete already!

The nursery art specialist

We are very pleased to welcome Dilys back to nursery following her maternity leave this week. She has already done some fantastic work with the children in the Sunshine Room using oil pastels to do observational drawings of some of the autumn fruits that they collected from the garden and these are displayed in the entrance hall.

Dilys is both a trained early years teacher and artist and her profile is on the website if you would like to read more about her experience.

Lost coats

We collected up lots of unnamed coats at nursery before the summer break. If you are missing a coat please come and see Sarah. All the coats will be given to a charity shop if they are unclaimed by the end of September.

Antibacterial get at nursery – and other topics!

We are very interested in hearing your views and try to involve parents in the development of the nursery as much as we can.

We have a message/discussion board where parents can get involved in discussions or start one of their own!

Please do have a look and register to use the board if you are new to nursery, and please do share your ideas and feedback with us if you have already used the board.

Student in nursery

We periodically allow students to come to nursery to gain practical experience of a nursery environment.

We are pleased to have Jenifer in nursery working in the Rainbow Room (baby room) from next week until January 2010. Jenifer is studying a post graduate course in early years and will be in nursery on Mondays and Wednesdays.

Wishing you a lovely weekend from Sarah, Anneli all the nursery staff.
