### **Valentines Cards**

The children have enjoyed talking about their families and have made cards for the special people in their lives.

### **Sunshine Room**

The children have coped very well with their new room and have enjoyed the change very much. The Sunshine Room is drying out well (measurements of the floor, walls and air quality are taken regularly) and we will keep you informed of any updates.

### **Website**

The nursery website will be up and running very soon. We hope that you like the new look and will forward a link to it as soon as possible.

### **Lost Toy**

A baby in the Rainbow Room has lost his special Rabbit. It is a grey 'Jellycat' Rabbit and is very loved and missed.

If you have seen it or possibly taken it home by mistake please do return it to nursery as soon as possible.

The rabbit is named so easy to identify.

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
