The Nursery on the Green

'Friday Flyer'

New staff

We would like to welcome Carly to the nursery. She is level 3 qualified and is currently getting to know the staff and children in both the Treetops and Sunshine Rooms. After our Easter break Carly will be based in the Treetops Room.

Also joining the nursery after Easter will be Ria who has recently passed a degree from Greenwich University in Childhood and Educational Studies. She will be based in the Rainbow Room with our youngest babies.

Tracy will be joining the nursery after Easter to lead our Treetops Room. She is level 4 qualified and has many years of experience working with 2 year olds.

Kelly will not be returning to the nursery until September as she would like to spend more time with her little baby Issy.

Sunshine Room

Hopefully you will have all received a recent email giving you an update regarding the Sunshine Room. Thank you for your continued support while we repair the damage.

Meanwhile the children have been enjoying working with a range of materials including pastel, paint, clay and ink to do observational drawings of flowers. They have looked very carefully at the details and named the parts of the plants and flowers.

Treetops Room

The children have been doing lots of sharing and turn taking games and thinking about their friends. They have been singing and learning lots of new songs and playing with the musical instruments.

Rainbow Room

The babies have enjoyed lots of sensory activities and have been cooking using a range of textured ingredients with lots of different smells. It has been fun watching them licking their lips as they stir the mixtures together!

We hope you all had a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
