The Nursery on the Green

'Friday Flyer'

Sunshine Room

The children will be visiting Godstone Farm next week to support their interest in animals and have a wonderful day out. All children in the Sunshine Room are invited to join us on this day. Further information will be sent out via email regarding the trip.

Treetops Room

We are very pleased to welcome Tracey to the nursery. Tracey has a lot of experience with two year olds and will be leading the room and working alongside Nadine, Harry and Carly.

The children will be learning about families and who is in their family. Please could you bring to nursery photos of family members (including pets) which the staff will make into a book for the children to share.

Thank you.

Rainbow Room

We would like to welcome Ria to the nursery. Ria has just finished her Degree in Education Studies at Greenwich University and is enjoying working with our babies. The children have enjoyed making their own and listening to music. Please would you bring in to nursery a CD that your child enjoys listening to from any genre?

We hope you all had a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
