The Nursery on the Green

'Friday Flyer'

Sunshine Room

The children had a wonderful day at Godstone Farm this week. All of the children were exceptionally well behaved as always and very brave with the animals that they met. They enjoyed a tractor ride around the farm when they arrived. They saw a range of interesting animals including chickens, pigs and their very cute piglets, ferrets, guinea pigs, rabbits, miniature ponies and lamas to name a few. The children were also very interested in the new lambs, kids and a foal that had been born recently.

The children enjoyed their picnic lunches in a barn and had a wonderful play in the very large play area.

They were very pleased to get back onto the coach at the end of the day and arrive very happy back at the nursery in time for tea.

Thank you to all of the adults that helped us with the trip!

Photography Week

Next week all of the children will be taking part in our photography week.

The children will be looking at lots of photographs and taking photos of the local area, their friends and objects that are interesting to them. Even the babies will be involved! There will be a display of all of their work for you to view coming soon!

There is also a photographer coming to nursery to speak to the children about the skill of taking photos.

If you have a particular interest in photography and would like to come and talk to the children and show them your cameras and artwork we would be very keen to speak to you.

Thank you.

Sensory Garden

The children have enjoyed working in the garden and have planted strawberries, beans and tomatoes. Next week they will be working with carrots, broccoli as well as sweet peas (very kindly donated by Hils, Polly's mummy).

The garden is looking beautiful with all of the flowers that are coming out so do have a look around with your child when you come!

We hope you all have a lovely bank holiday weekend.

Kind regards

Sarah, Anneli and all the staff
