A selection of filled sandwiches with crudités of cucumber, cheese and tomatoes. Small cakes

Happy Birthday to the Nursery!!

The Nursery on the Green will be celebrating its 5th Birthday on Sunday!

The last five years have flown by and we can hardly believe that we will be celebrating the opening of the nursery on 4th October 2004!

We opened with only six children on our register, were full in five months and now, five years on are busier than ever!

The Nursery on the Green

'Friday Flyer'

Four out of the five staff who opened the nursery are still here (Sarah, Anneli, Lynne and Caroline) and Kathryn joined only a couple of months after we opened. It is lovely for these staff to see the way that the nursery has developed and are joined by the rest of the staff team to plan the developments for the next five years and beyond!

To celebrate the nursery's birthday we are having a bouncy castle in the garden on Tuesday for all the children to enjoy. If your child doesn't come to nursery on Tuesdays please feel free to drop by for your child to enjoy playing on the bouncy castle with their nursery friends –it will be here all day!

Coats and hats

We have a number of children with the same coats that are getting muddled because they have no names inside. **Please make sure that you name the coat that your child brings in to nursery.** We have a large number of unnamed coat and hooded cardigans coming into nursery without names.

Harvest Festival

The nursery will be celebrating harvest festival over the next two weeks. We will be collecting donations of food (non perishable goods please) from next week, and these will be taken by the children in Sunshine Room to the local residential care home in Greenwich.

They meet the old folk, sing some songs and give the harvest gifts from the nursery. If you would like to contribute, please leave your donations on the little red table in the hallway.

Church Visit

As part of their work on harvest, the children in the Sunshine Room will also be visiting the church to see the preparations for harvest there, and to listen to some harvest stories. Parents/carers of the children involved in this visit will receive a letter with a permission slip this week. If there are any parents who would like to accompany the children on the trip please let Anneli, Lynne or Hayley know.

The Garden

The garden is continually developing with new plants and paintings that the children have done. Please do have a look at the garden when you collect your child.

Wishing you a lovely weekend from Sarah, Anneli all the nursery staff.
