Oral Hygiene week at Nursery!

We are going to be spending the next week looking at oral health and hygiene as a whole nursery.

Would you please send your child in with a toothbrush for the whole of next week? They will bring them home at the end of the week.

They can either keep their toothbrush in nursery or take it home every day if it is their only one.

We will be looking at the importance of good oral health, correct tooth cleaning techniques and healthy eating with the children.

Shapes in Pre-school!

We are looking at **Rectangles** this week! Please would you look at home with you child and find something triangular to bring to nursery next week for our shapes table?

Thank you very much; it is much appreciated when your child brings their shape into nursery to share with us.

Teddy bears picnic in pre-school

The children in the pre-school had a great time at their Teddy Bears picnic last week. Could your child bring their teddy to nursery for one more day next week (any day is fine) as we need them in nursery for one more day please!

Parents evening

The Nursery will be having a parents evening on **Monday 29th March.** We warmly invite you to share a drink, and meet the staff and other parents in a more informal atmosphere, and also to have the opportunity to go through a written report on your child's progress with their room leader. Please note that this evening is not suitable for children. Please sign for a slot on the lists outside your child's room.

Fundraising – Phoenix Cards

Keep a look out in your child's bookbags next week for a mini brochure from Phoenix Trading. The products are very high quality and great value with greetings cards at only £1.20 each (or £1 when you buy 10 or more). There will be some brochures in the office if you would like to look at the full range, together with a few samples if you haven't seen the cards before. The Nursery will receive a donation of 15% of any orders that are placed, so please think about all the birthdays/anniversaries/new homes and new babies that might be coming up!

Please return your order to Nursery by Friday 19th March. Your goods will be delivered direct to your child's book bag by 30th March at the latest. Thank you!

Easter break

The nursery is closed from Friday 2nd April (Good Friday) to Tuesday 13th April (open on this day) for the Easter break.

We are currently trying to arrange for the large garden sandpit to be built during this time, ready for the start of the Summer Term. This will be a wonderful resource for the children, and will be able to be used throughout the summer.

We are collecting...!

As you may be aware the nursery is collecting Sainsbury's vouchers. There is a box in the hallway for the vouchers. We were able to purchase some great sports resources for the children last year, and hope that we can do the same again!

We are also collecting the Tesco vouchers but have not received their collecting box yet. Please post any that you are able to donate in with the Sainsbury's ones and we will sort them when we receive the box.

Happy mothering Sunday, we hope you enjoy the day and your cards and gifts from the children!

Best wishes Sarah, Anneli and all the nursery staff.
