We are sorry for the absence of a 'Friday Flyer' last week – we were unable to use our internet and could not produce the flyer.

### **Scraps of material needed please!**

The children in the Sunshine Room (pre-school) are exploring different textures which they are using for role play and their day to day activities'. We would be grateful for any pieces of interesting material that you would be willing to donate.

Thank you

Thank you also to the parents of the children in the Sunshine Room for donating old clothes for the spare clothes box. We now have sufficient spare clothes for both boys and girls.

## *'Friday Flyer'*

### The Nursery front door

Please make sure that the front door of the Nursery is properly closed behind you when you leave the nursery.

### Nursery Places

We have been able to offer two full-time places at the nursery for a fixed period of six months to try to accommodate the needs of a family who are being relocated to South Africa for six months. There are two slots still available – one on a Thursday and another on a Friday. If you are interested please speak to Sarah.

### Clay sculptures for the garden!

The children in the Sunshine Room (pre-school) have been working very hard with our specialist Pottery teacher Helen. They have been creating clay sculptures which will be displayed in the garden. We have been able to use the kiln at a local secondary school which means that the children have been able to work through a number of different processes during their projects. Their finished results look fantastic and will be displayed in the garden soon.

### Sun Cream...summer shoes and hats!

Now that the weather is becoming warmer they children will need to bring a **named tube of factor 50 sun cream** into nursery for the staff to apply throughout the day. Please would you apply sun cream to your child before you drop them off to nursery, and we will apply it regularly throughout the day.

All the nursery children will need a **named summer hat** to wear in nursery, please.

The safety of the children is our top priority. **We do not allow children to come into nursery who are wearing 'cros' or open toed summer sandals.**

This is because the children are very active in the garden especially during the summer months, climbing, running, jumping etc and need to be wearing shoes that fit securely around their feet.

Enjoy the sunshine this weekend!

Best wishes from Sarah, Anneli and all the nursery staff.
