Whole nursery outing!

All the children in the Nursery thoroughly enjoyed their outing to Manor Park today. They really enjoyed their picnic on the grass, feeding the ducks and playing outdoor games in the lovely setting of Manor Park!

Nursery Achievement Cup

We award the achievement cup to any child in the nursery (not only pre-schoolers) who has met and far exceeded our expectations. These can be academically, socially or for any other reason.

We have awarded the cup to Jacob this week. We held a ceremony to award him his cup and certificate. Well done, Jacob!

Summer Fete

Nearly new sale!

Following the success of last years stall, we are running another 'nearly new' stall at our summer fair this year. If you have any suitable clothes in nearly new condition, please would you start to set them aside for the summer fair?

Catherine (Joseph's mummy) has very kindly offered to coordinate the fair this year. We have had several volunteers to help and run stalls but are looking for more! If you would like to get involved please speak to Sarah or Anneli and we will put you in touch with Catherine.

Thank you to everyone who has offered to help with the Summer fair so far. **We really need two more volunteers – especially someone who could help with face painting!!**

We are going to have a **balloon race** as one of the stalls at the fair.

This will involved the children decorating a named tag and releasing the balloon – there will be a prize for the balloon that travels the furthest – last time the winning balloon went as far as Holland!

We will be running this competition on the Monday and Tuesday before the fair to give all the children a chance to take part. The cost will be 50p. Please send your child into nursery on Monday 9th and Tuesday 10th August with their 50p if they would like to join the race!

The winner will be announced in September to give everyone a fair chance to have their tag returned by the finder of the balloon.

The summer fair is a great opportunity for everyone in the nursery community to get together and we hope as many people as possible will be able to get involved.

The summer fete will be held on **Wednesday 11th August from 3pm-5pm.**

New Nursery Sand pit

Last year we raised £550 towards the cost of a new giant bespoke sand pit for the children. We are hoping that we can order the new (4 metre) sand pit in September. The nursery is meeting half the cost of this very special addition to the nursery resources, and we are very grateful for the support of the nursery community in helping with the purchase of the sand pit. Thank you.

Dolls clothes

If you have any dollies clothes that are no longer played with at home the nursery children would love them! The children really enjoy bathing and dressing the dolls and putting them to bed!

Splash day!

Splash day was unfortunately rained off! However, we really hope that we are able to have another splash day before the end of term and will set another date when the weather looks more settled.

Shoes at Nursery

Please remember that **we do not allow 'croc's' or 'flip flops' to be worn to nursery.** All shoes must have a secure ankle strap to ensure the children's safety when they are in the garden (running, climbing etc).

Summer sandals and open-toed sandals are acceptable as long as they have a secure ankle strap.

Please would you name your child's shoes as there are lots of similar designs and it is very important that the children are wearing their own, correctly fitting shoes?

Best wishes Sarah, Anneli and all the nursery staff.
