Further Developments to our Garden

The stepping stones have been installed and look great! The children are already developing their own skills and helping their friends to develop theirs. The safety surface will be the next exciting instalment to our garden to enable even our youngest children to enjoy the challenges of the new climbing equipment.

Clothing

To avoid any confusion or mix up of clothing please could you write your child's name in as much of their clothing as possible. Thank you this is an enormous help to our staff.

Discussion forum/message board

Please do not forget about our new discussion forum that can be found here:
<http://www.thenurseryonthegreen.co.uk/forum/>

Some parents have requested to become a member which is great! We would like more members to get the message board up and running, so please tell everyone about it so that we can get more ideas, news and information.

Wishing you a lovely weekend from Sarah, Anneli all the nursery staff.
