'Friday Flyer'

There are still slots available but they are filling up fast. Please sign up on the lists outside your Childs room.

We will be serving mulled wine and soft drinks and look forward to seeing you.

Please note, this evening is not suitable for children.

Thank you to Allison!

The pre-school enjoyed a talk and fun movement session when they Allison (Seren's mummy) came to talk about her role as a paediatric physiotherapist.

Thank you to Allison for coming into nursery and bringing all the equipment that she would need to let the children experience the session that she runs – they all had a great time!

These talks allow the children to learn about the wider world in which they live. They broaden their horizons and increase their vocabulary and general knowledge.

If you would like to talk to the children about your profession please speak to either Anneli or Lynne. Thank you.

Student

We have a student Ashleigh, working in the Treetops Room every day for three weeks as part of her college course. We are please to welcome her to nursery and hope she enjoys her placement.

Phoenix Cards

You may have noticed a basket of greetings cards and giftwrap in the front hall, and wondered what it was all about? One of the nursery mums, Kate Sparrow, runs a Phoenix business and has offered to give the nursery a donation of 15% on each sale of cards from the basket, or on orders from the brochure. The cards are great quality and fantastic value, so please do have a look through the box if you need a last minute card or two! Help yourself to a brochure if you would like to see the full range and spend a bit more time on your order. N.B: Prices go up in January, so now would be a great time to stock up for next year! Thank you.

Best wishes Sarah, Anneli and all the nursery staff.
