This has been a very exciting week at the nursery!

Sunshine Room outing to Battersea park and petting zoo

The children in the Sunshine Room pre-school had a wonderful time at Battersea Park on Thursday. They enjoyed travelling by train and bus, and were very excited to see all the animals in the petting zoo.

They had a picnic lunch in Battersea Park before exploring the park, playing in the fantastic play area, and looking at the lovely trees and flowers there.

Everyone was very tired but very happy at the end of the day! Thank you to Hanna (Lucas's mummy) for coming along with us.

Staff news

We are very pleased to announce that our art specialist teacher Dilys is returning to nursery in September for two days per week.

Dilys is an accomplished artist who has exhibited widely and also a trained teacher. She will be working for two days per week in the Sunshine Room pre-school. Dilys works with small groups on a variety of exciting projects and you can see the mosaics that the children did with her in the garden before she went on maternity leave.

We have a student working in the Rainbow Room alongside Kathryn and Ellie on Mondays and Fridays from next week. We look forward to welcoming Simone to the nursery from next week.

Garden News

The fruit growing in the nursery garden is ripening fast. The children will shortly be picking and eating the strawberries, raspberries and blackcurrants that the children have enjoyed growing.

The broccoli and cauliflower plants are growing well too. Please encourage your child to show you around the sensory garden – they are very excited to see the different plants and love playing round the bamboos!

Nursery start times

The nursery is open from 8.00am and we are insured for children to be in nursery from this time.

The staff arrive early so that they can prepare activities for the children and get the nursery ready before the children arrive. We also use this time for brief staff meetings on the day ahead.

Please wait until 8.00am before knocking on the door or allowing your child to shout to staff as we are busy getting the nursery ready for them – thank you.
