Parent feedback questionnaires

Thank you once again for completing the questionnaires. They have made very interesting reading and we will publish the results next week!

Planning

Weekly and daily planning is always posted in each of the rooms and is available for you to see. However, the weekly plans have now been moved and will be displayed **outside** each of the rooms to give you easier access to the information. Please do take a few minutes to read the plans so that you can see what your child will be doing each week. If you need further information or are unsure about any details of the planning do speak to the room leader for clarification.

Gas Meter Replacement

On Tuesday 1st March the gas meter is being replaced in the nursery. The gas will need to be cut off while the work is carried out. We will therefore not be able to cook lunch on this day. Instead the children will have a wonderful time making their own sandwiches and selecting a range of treats for a picnic lunch which the Rainbow Room and Treetops children will eat in nursery. Please could your child bring a teddy or special toy to their picnic. The meter work will not affect the children or their activities on this day. They will then have a lovely beef stew for their tea.

Sunshine Room

On Tuesday 1st March the children will be going bowling in Lewisham. This is a great way of developing the children's gross motor skills as well as recognising and using numbers. The children will also have a picnic lunch and a play in Manor Park. The weekly plan is placed on the board at the bottom of the stairs into the Sunshine Room. It is very detailed but do speak to Anneli, Lynne or Hayley if you need further information. Letters this week are 'm' and 'k'.

Photographs

New photographs will be posted on the website soon so do please keep checking the gallery.

Wishing you all a very nice weekend
Best wishes Sarah, Anneli and all the nursery staff.
