Small cakes	Organic cheese on toast with tomatoes and cucumber. Sweet dessert.	A selection of filled sandwiches with crudité's of cucumber, cheese and tomatoes. Small cakes

### Sunshine Room

The children had a fantastic time at the bowling alley this week and demonstrated some fine bowling and turn taking skills. There were lots of 'strikes' scored and excellent team spirit. Well done to all children that took part. Don't worry if you were not in nursery on this day we will be going again soon.

The children are going to be looking for bugs in Sutcliffe Park next week and will (with close supervision) be going very close to the rivers edge to look for pond life. Please could your child bring in their (named) wellies to keep at nursery for the week. Thank you.

### Treetops

The children have been very creative and working with a wide range of textures to create pictures relating to their interests. These will be displayed in their room for you to see. The children will also be visiting Sutcliffe Park to look carefully at colours and textures.

### Rainbow

The children have been getting very messy and playing with lots of textures including paint, ice, jelly and sand. They had a wonderful trip to the library and enjoyed a storytime session with lots of puppets and singing. Next week they will be going on lots of walks to the park and shops.

### Parent Questionnaire

You will receive a letter in your child's bookbag next week giving you the outcome of the questionnaires and how we will use the information that you have given.

Wishing you all a very nice weekend  
Best wishes Sarah, Anneli and all the nursery staff.
