Transition letters

Now that the children who will be leaving to start 'big' school in September have accepted school places, we will start our transition procedure. Parents will receive a letter from nursery next week explaining how this works. Teachers from each child's new class will be invited to the nursery to observe the child in their familiar setting and to have a meeting with Anneli to go through their final nursery report.

If you have any questions about any aspect of the transition procedure please do not hesitate to speak to Anneli or Sarah.

Rainbow Room soft play

The babies in the Rainbow Room had a fantastic time at soft play in the Eltham centre this week. They thoroughly enjoyed the opportunity to explore all the new equipment there and also loved their picnic lunches afterwards.

We are hoping to make this outing a regular event for the babies as they enjoyed it so much!

Sunshine Room visit to the train station

The children in the Sunshine room will be visiting the local train station next week as part of their preparations to turn their role play area into a train station! Details will be sent out to the relevant children next week.

Sun cream

We still have a number of children who have not brought a bottle of sun cream into nursery.

We are only able to apply sun cream to children from their own named bottle or tube.

In order to protect them outside in the summer they must have sun cream here which can be regularly applied throughout the day. Please bring some in if you have not already done so.

Thank you to parents who have already provided sun cream for their child. We cannot use last years cream on the children as the latest guidance tells us that it only effective for twelve months.

Summer shoes

Please note that we do not allow 'croc' shoes or open toed sandals in the nursery. This is for health and safety reasons.

All children must wear shoes with a **secure ankle strap** as they are running, climbing and jumping in the garden throughout the summer. Thank you for your help in this matter.

We wish you all a very nice weekend.

Best wishes Sarah, Anneli and all the nursery staff.
