Nursery redecoration

Scaffolding has been erected to allow us to redecorate the whole of the front of the nursery building. Once this has been completed we will be building a store at the front of the nursery where parents will be able to leave their prams and buggies without the need to bring them into the nursery building.

We hope that this will make it much easier for parents who do leave their prams at the nursery during the day.

If you have any queries about the redecoration please do not hesitate to speak to either Sarah, Anneli or Kathryn.

Sunshine Room letter bags.

The children in the Sunshine Room (pre-school) are really enjoying taking home and filling their phonic letter bags.

If you have one at home please would you bring it to nursery next week to share with the other children in the class?

Sunshine Room role play

The children loved visiting the train station this week. They have used their experience to create a 'train station role play area' complete with costumes, ticket office and railway tracks!

If you have anything at home that you would be willing to loan the children linked to trains or railway stations, the children would be thrilled!

Rainbow Room swimming

The babies in the Rainbow Room thoroughly enjoyed their swimming trip this week. We were able to give the babies a ratio of one to one and they loved splashing in the baby pool and playing with the water toys.

The babies will be going swimming again next week

Sun cream

We still have a number of children who have not brought a bottle of sun cream into nursery.

We are only able to apply sun cream to children from their own named bottle or tube.

In order to protect them outside in the summer they must have sun cream here which can be regularly applied throughout the day. Please bring some in if you have not already done so.

Thank you to parents who have already provided sun cream for their child. We cannot use last years cream on the children as the latest guidance tells us that it only effective for twelve months.

Summer shoes

Please note that we do not allow 'croc' shoes or open toed sandals in the nursery. This is for health and safety reasons.

All children must wear shoes with a **secure ankle strap** as they are running, climbing and jumping in the garden throughout the summer. Thank you for your help in this matter.

We wish you all a very nice weekend.

Best wishes Sarah, Anneli and all the nursery staff.
