A selection of filled sandwiches with crudités of cucumber, cheese and tomatoes

New children

We would like to welcome the new children and their families to our nursery. Lucas and Maximus will have a wonderful time with the babies. Matteo has settled extremely well into the Sunshine Room and is a lovely boy.

Nursery Improvements

We are continuing to improve the nursery surroundings and will be fixing the wall outside the front of the nursery and building a buggy store.

'Friday Flyer'

Rainbow Room

The children went to the park to feed the ducks this week and will be going on a similar visit next week because they enjoyed it so much. Sutcliffe Park is full of wildlife and plants and is a wonderful wide open space for the children to run freely.

Treetops Room

The children have enjoyed the Rainbow Fish stories so much that they have developed their own deep sea cave in their room. The children enjoy looking at the pictures and underwater creatures that they have made and play in the area sharing the toys. They will be visiting the London Aquarium soon so look out for details of their trip.

Sunshine Room

The children enjoy painting on a large scale so much that they have been to Homebase to buy rollers and embossed wallpaper to paint 'big' pictures. They have also set up a DIY shop in the room with lots of tape measures, tools, painting equipment and torches which has been a huge success.

We wish you all a very nice weekend.

Best wishes Sarah, Anneli and all the nursery staff.
