This has been a very exciting week at the nursery!

Garden News

The safety surface in the garden is being laid next week.

After a wait that was longer than we had been quoted the new play area will have its surface! Please come to have a look at the finished area when you pick your child up.

Nursery network news

We have been approached by the Greenwich team of advisory teachers to speak at their network meeting about our nursery garden.

Advisory teachers visit the nursery periodically to monitor developments and they have been very impressed with our sensory garden, and the way that we continue to develop and improve the opportunities for the children in the nursery.

The Nursery on the Green

'Friday Flyer'

We feel proud and are keen to share good practise with the other nurseries and schools in the borough.

Summer Fun

To keep our children safe in the sun this summer please could you supply sun-cream and a **named** hat to keep at the nursery.

We try to provide lots of shade for the children and have purchased umbrellas for the sand pit and put up fabric in various part of the garden.

Rainbow Room news

The babies are going on a visit to Battersea Park on Friday. It is a wonderful park, and they will enjoy a picnic lunch and the chance to explore a new environment which will include a play in the bandstand.

Sunshine Room pre-school

The Sunshine room will be visiting Hall Place in Bexley. Hall Place has a toy museum and beautiful grounds and greenhouses where they grow many rare plants. If you would like details on visiting Hall Place yourselves please speak to Sarah or Anneli who have some brochures.

Environmental Health

The nursery had its annual inspection by the Environmental Health Agency this week. The inspector was very pleased with the standards of hygiene in the entire nursery and has awarded us the Food Hygiene Award for the fourth year running!
