Small cakes	Organic cheese on toast with tomatoes and cucumber. Sweet dessert.	A selection of filled sandwiches with crudités of cucumber, cheese and tomatoes. Small cakes

Sunshine Room

The children have enjoyed reading the book 'Shhh...' a great story about a giant that they must not wake up through reading the book. This has inspired lots of maths, literacy and art based activities such as painting giants, writing about their giant and measuring. They have measured the circumference of their heads using strips of card and placed them on a chart to explore who has the biggest head. They have also made bar charts of hand-spans and height. It has inspired lots of discussion between them all.

We would like to welcome Tom to the nursery. He will fit in very well with a wonderful group of children.

The Nursery on the Green

Treetops Room

The children had a wonderful time at the London Aquarium. It was a very long day but the children were very excited about the sharks and large sea creatures. They were fascinated by the crabs and splashed in the touching pool.

Rainbow Room

The babies have been doing lots of water play and have been splashing happily in the garden. They are becoming very confident on the climbing frame and show no concern when an older child rushes past them on the bridge making them bounce.

Summer Fair

The summer fair will be taking place on the 11th August this year. It will be wonderful to see you all there again this year and hopefully some old faces will come to visit again. If anyone has any ideas for stalls or would like to help or take part, please tell a member of staff and Anneli or Sarah will contact you.
Thank you for your support.

Have a wonderful weekend.
Best wishes Sarah, Anneli and all the nursery staff.
