Parents Evening

Parents evening will be held on Wednesday 27th July from 6.30p.m – 8.30 p.m. This is a very important event in the nursery calendar and is always very well attended by all parents. It is an opportunity to meet with your child's room leader and discuss their written report and progress. All members of staff will be available to talk about your child's development and how they spend their day. No children are allowed to attend this evening. You are able to look around the entire nursery and chat with other parents. Hopefully the weather will allow us to have a BBQ in the garden. If you are unable to attend this evening please speak to your child's room leader to make a more convenient appointment. The time sheets will be posted outside each room next week for you to sign your name against a time that suits you. We look forward to seeing you all then.

Summer Fair

We would like to start collecting your 'nearly new' clothes and toys for our 'nearly new' stall at the summer fair. If you do have anything that you would like to donate please do leave it in the office. If any parents or relatives are skilled or keen to paint children's faces we would love you to come and help at the fair. Please speak to a member of staff if you are able to help or have any ideas. Thank you.

Buggy Store

The buggy store is now in place for you to use. There will be a combination padlock on the front. If you ask in the office for the combination number to keep, then you will be able to use the store as you need.

Treetops Room

If you have an old mobile phone that you no longer use, please could you give it to the children in our Treetops Room. Playing with old phones supports the children's early understanding of technology, plus they seem to enjoy it.

Rainbow Room

Our babies have very few spare clothes. If your child has taken any home or you have old clothes that no longer fit your babies we would love to have them. They have had a lovely time in Sutcliffe Park this week feeding the ducks and developing their running and climbing skills. They are going to use the park for inspiration to decorate their new baby garden.

Have a wonderful weekend.
Best wishes Sarah, Anneli and all the nursery staff.
