Small cakes	Organic cheese on toast with tomatoes and cucumber. Sweet dessert.	A selection of filled sandwiches with crudités of cucumber, cheese and tomatoes. Small cakes

New Menu's

We are trialling a range of new menus with our new cook Tina who is job sharing with Rose.

This week the children tried Chicken stew with dumplings (which they loved!), sausages with muffins for breakfast, and minted lamb pasta with stir fry vegetables.

We are very interested to hear your comments on the meals at the nursery so if you have any comments or suggestions please speak to Sarah, Anneli or Kathryn.

Brilliant week and welcome to the new children

All the children have settled back to nursery brilliantly following the summer break. Well done to all the children who have moved to their new rooms so smoothly and happily and welcome to all the new children at nursery.

We are very pleased to welcome...

Jake, Edward, Risha and Krish and Esther and their families to the baby room:
Harrison, Lucas, and their families to the Treetops room, and
Karina and Kingston and their families to the Sunshine room.
We hope you feel part of the nursery community soon.

Contact books

We are monitoring the usefulness of the contact books that come home with the children each day. The staff put a great deal of time and effort into writing an individual and detailed report each day that the children come into nursery.

Please could you acknowledge that you have read the information in the contact book by ticking it so that we can gauge whether parents find the information valuable? A comment about the report, or any information about your child's evening or weekend is also much appreciated as this helps to inform the individual planning that we do for each child. If there is not a comment or tick in your child's contact book we will assume that you do not find the information useful and will adjust the level of information that we give you. Many thanks.

Naming shoes, coats and hats!

Please make sure that the outer garments that your child brings to nursery are named. As the weather turns colder children bring more clothes to nursery and often they are very similar. It is also vital that shoes are named as several children in the same group often have very similar shoes which are different sizes. If these get mixed up children could have accidents with ill fitting shoes that could be very dangerous. Thank you very much.

Wishing you all a very nice weekend,
Kind regards
Sarah, Anneli and all the staff
