The Nursery on the Green

'Friday Flyer'

Children in need

On Friday 18th November, we will be supporting Children in Need. We would like all the children to dress-up as a character from their favourite book. Please could you donate a small amount for this wonderful cause?

Change of clothes

All the children in the nursery should have a spare set of clothes (including underwear where appropriate). This is especially important in the winter months. If we do use your child's spare clothes please would you be kind enough to replace them and keep a set hanging on their peg?

If your child is toilet training please would you include several sets of underwear?
Many thanks.

Sunshine Room – science experiments

The children in the sunshine room are undertaking some basic science experiments which need lots of **jam jars!**

If you have any that you could collect and leave with us they would be much appreciated.

Letter bags for pre-school

All the children in the sunshine room (pre-school) will be bringing home letter bags from next week.

For those new to pre-school, please would you talk to your child about the sound on the front of the bag that they bring home, and help your child to find some everyday objects to place in the bag? They then need to bring their bag to nursery the next time that they come where we will look at the contents of the bags together as a class.

These bags are a very popular and effective way of introducing the children to phonics and one of the ways that we build their phonetic knowledge in pre-school. If you would like any more information on this please do not hesitate to speak to Anneli, Lynne or Tom.

Spare Clothes

If you have any spare clothes that belong to the nursery or clothes that you no longer need, we would be very grateful to have them in nursery. The Rainbow Room particularly need little trousers for their children.

Wishing you all a very nice weekend,
Kind regards
Sarah, Anneli and all the staff
