Sunshine Room

The children have had great fun in the park all this week and have been learning a lot about the changes of the seasons. They have also been playing in the play park developing their physical skills. Do take a look at the photographs of the children in the sunshine room that will be displayed next week. Further trips to the park will continue next week.

The children have also been researching their favourite animals on the internet and learning about how they keep warm in winter.

Treetops Room

The children have been doing lots of painting and sensory play which the children have thoroughly enjoyed. They will also be visiting the park next week to feed the ducks.

Rainbow Room

The new children have been settling very well and we would like to welcome Eliot and his family back to the nursery.

Next week the children will be going to music time at Eltham Library, Sutcliffe Park and the Storkway Sensory Room. Sam will be giving more information early next week.

They have also requested lots more small boxes and tubes to make their dragon for Chinese New Year and would be very grateful for any donation.

Easter Break

The nursery will be closed on Friday 6th April and will re-open on Monday 16th April.

Kind regards
Sarah, Anneli and all the staff
