Sandwiches and salad vegetables	A selection of filled sandwiches with crudité's of cucumber, cheese and tomatoes

### **Celebrate the diversity in the nursery!**

**We are creating a special display to celebrate the diversity of culture and languages within the Nursery.**

We would like all the children to bring in a photograph of their family and if possible a small artefact that typically illustrates the country that their families come from. Could you also send in a couple of words in your home language e.g. 'we are from Romania' so that we can include this in the display?

### **Daily and Sunday Mirror free books promotion**

We are continuing to collect the tokens for the free books that are published in each day's newspaper.

Please place any tokens that you have in the labelled box in the hallways.  
There are 100 books to collect!

### **Sainsbury's voucher scheme**

The nursery is collecting again!!

Each year we have been able to 'buy' some lovely outdoor resources for the children through the Sainsbury's voucher scheme.

If you shop at Sainsbury's please collect the vouchers given and put it into the collection box in the nursery hallway.

Thank you very much!

### **Outside play**

We continue to offer our children outside play in all weathers. It is a very important part of their learning and development.

We do have waterproofs for everyone at nursery but please would you make sure that **you send in a named warm winter hat and gloves or mittens as we want to make sure all our children stay warm during the current very cold weather.**

We cannot guarantee to have extra hats, gloves and scarves at nursery to ensure that every child is properly dressed for the outside and comfortable in the garden.

There are some children who are still coming to nursery without these items.

### **Spanish lessons**

We have a new Spanish teacher for the children in Sunshine Room (pre-school) in the nursery. The children thoroughly enjoyed their Spanish lesson, learning new songs and rhymes in Spanish.

### **Rainbow Room and Sunshine Room**

Children from the Rainbow and Sunshine Rooms had a wonderful time at the sensory room in the nearby children centre. They loved exploring the water bed, bubble tubes, and fibre optic lights.

We are now using the sensory room with the babies and some pre-schoolers on a weekly basis. All the babies will be able to visit the sensory room on a rota basis so that they all get an equal chance to benefit from the activities there.

### **Key found!**

**A single key with has been found in the sunshine room.**

Please let us know if it belongs to you!

Best wishes for a very nice weekend

Kind regards

Sarah, Anneli and all the staff
