Knowledge and Understanding of the World!

As you know we are celebrating the wide range of cultures that we have in our nursery. You will see the beginnings of a display in the nursery hallway which we would like to add to as much as possible. We would like family photographs from all of our children with a little information about where your family are from, what language you speak and a little written note in your home language. We also would like information from families from this country too. The older children will be able to research the different countries and everyone will enjoy looking at the photographs! Thank you for your help with this.

Parent's Evening

There will be a parent's evening on Wednesday 4th April from 6.30 – 8.00 p.m. You will receive a written report, have time to talk with the room leader and have the opportunity to look around all of the rooms. Times will be posted outside your child's room from next week. Please sign your name against a convenient time. If you are unable to come on this day, please speak to your child's room leader to arrange an alternative.

Mother's Day

All the children will be celebrating Mother's Day by making cards and little gifts for you all to enjoy.

Creative Week

The Nursery on the Green is a particularly creative nursery with all of the music, art, drama, dance and languages that we do on a daily basis. However, we are going to add even more creative experiences to our list and have a **Whole Nursery Creative Week** starting on Monday 19th March. The children will have a different creative experience everyday and demonstrate how they develop and improve their skills. Look out for the photographs and displays all around the nursery soon!

Easter Break

The nursery will be closed for Easter from Friday 6th April to Friday 13th April 2012. We are open again on Monday 16th April 2012.

Children's Own Food

If you are bringing food from home for your child **please ensure that the containers are clearly named.** All individual pouches, pots and cool bags **must be** individually named. The pots, pouches and foods easily get lost and could be offered to the wrong child. The staff may not have the time to label them for you so please bring them in already prepared.

Thank you.

We hope you all have a lovely weekend.

Kind regards

Sarah, Anneli and all the staff
