Nearly New Sale to raise money for a new sandpit

We'll be holding a Nearly New Sale soon (date to be confirmed shortly), to raise money to build a permanent sandpit in the garden. The temporary one has been such a success with the children that we'd like to build a permanent one in the garden that they can play in in the summer and that can be properly covered in the winter.

We'd be really pleased if you could start setting aside any outgrown children's clothes that you think other children and parents might like to buy.

We'll confirm the date with you very soon, and let you know where to leave any bags of clothes so that they can be stored in preparation for the sale. Beccy Holloway (Lyza and Sam's mummy) will be organising the sale, so please do contact her via the discussion board on the website if you have any queries, or would like to get involved. Many thanks for your support.

Treetops Room and Sunshine Room outing to the Greenwich ecology park

The children in the Treetops and Sunshine rooms are going to the Greenwich Ecology Park next Thursday to look at the wildlife in the park and the river.

The children will travel by coach and will enjoy a picnic lunch in the parkland surrounding the ecology centre.

We will be leaving at 10.00am and will be back in the afternoon. Please provide a packed lunch for your child on this day. The cost of the trip will be £5.00.

Sun Safe

Please remember to apply sun cream to your child before coming to nursery. We will then apply it throughout the day. Please don't forget to provide a named sunhat!
